

# Hilmar Chamber of Commerce

PO Box 385

Hilmar, CA 95324

[www.hilmarchamber.com](http://www.hilmarchamber.com)

The Hilmar Chamber of Commerce wishes all of its members a successful and productive year.

The Chamber would like to invite all members, present, new, and past, to the monthly meetings held on the first Monday of each month, except for August, at the Dan Ramos Community Center. Meetings start at 6:00 PM with dinner for a minimal fee followed by a presentation or reports.

This is an opportunity to get involved in the community, be informed, and/or give input on issues pertaining to the community of Hilmar. The Chamber receives reports from MAC, Hilmar Water District, Hilmar Unified School District, and special guests as invited.

Each year in April and May, the Chamber recognizes two citizens, one as, "Citizen of the Year" and another as, "Distinguished Service Award". These are citizens who have unselfishly devoted their time and effort to make our community a better place to live.

The Chamber's goals' for 2008 are:

- Continue representing the community of Hilmar and its businesses.
- Continue supporting the subcommittees:
  - Scholarship Committee
  - Flag Committee
  - Awards Committee
  - 4<sup>th</sup> of July Committee
- Continue developing and updating the Chamber's Website to include the names and addresses of its members who would like to be listed.
- To be proactive in the needs of the community.
- Continue the membership drive.

Funds for all the Chamber's events come from donations and the \$30 membership fees of its members. The Chamber is appreciative of all who support its rewarding activities and invites all members who wish to continue supporting the Chamber to renew their membership for the current year. You may send the membership fee of \$30 to Chamber's address above or deliver it to the treasurer, Robert Fanelli.

Thank you in advance for your support. The Chamber and its officers look forward to seeing you at its meetings and events.

Respectfully,

Carlos Rocha,  
President, Hilmar Chamber of Commerce
